MAURO PÓPPOLO FORT

Senior Finance Leader | AI-Native Finance Transformation | Strategic Advisory, IFRS & CFO Insights
Valencia, Spain | mauro.poppolo@gmail.com | linkedin.com/in/mauro-poppolo

PROFILE

Senior finance leader with 10+ years of hands-on experience across the CFO agenda — statutory accounting, tax, controls, multi-entity reporting, M&A, and AI-native finance transformation. Currently leading the AI transformation of the finance function at Clarity AI, with a clear and practitioner-grounded point of view on how artificial intelligence is reshaping finance operations, decision-making, and team design. Former IFRS instructor at PwC and university lecturer, with a strong track record of translating complex financial concepts into clear, actionable insight for diverse audiences. Combines deep technical expertise with strategic thinking, executive communication skills, and a genuine passion for challenging conventional approaches to finance leadership.

EXPERIENCE

Finance Lead (Acting) / Senior Finance Manager | Clarity AI | Remote – Spain *May 2024 – Present*

Finance Lead (Acting) *Oct 2025 – Present*

- Operate as de facto Group Finance Lead, working directly with the CFO and VP of Finance across all strategic and operational finance matters.
- Own end-to-end finance function across multiple jurisdictions: statutory accounting, group tax compliance, audit coordination, intercompany processes, and group reporting.
- Co-designed the group transfer pricing structure with PwC, covering all entities and jurisdictions.
- Led tax and financial due diligence in a corporate acquisition context, supporting M&A integration end-to-end.
- Act as primary finance counterpart to external auditors, tax advisors, and legal advisors at group level.
- Designed and implemented an AI-native AP automation stack integrated with NetSuite: automated invoice ingestion from a shared mailbox, auto-posting to approved cost centres, and direct bank integration with Revolut for payment on due date — eliminating manual AP touchpoints end-to-end.
- Implemented Granola and Notion as a centralised finance knowledge and task-tracking system, enabling cross-entity teams to work from a shared group information repository.

Senior Finance Manager *May 2024 – Oct 2025*

- Promoted to Finance Lead (Acting) after 8 months, having operated from day one as the primary finance reference for the CFO and VP of Finance.
- Led and developed a finance team of up to 4 direct reports in a fast-growing, remote-first technology environment.
- Reduced month-end close cycle from 10–15 days to 4 days through process redesign, automation, and a custom close control tool designed in Google Sheets.
- Owned group tax compliance across all entities and jurisdictions, coordinating with external advisors on VAT, corporate tax, and transfer pricing.
- Supported scaling of finance operations during a period of rapid organisational growth.

Senior Financial Accounting Controller | Glovo | Barcelona, Spain *Oct 2022 – May 2024*

- Owned financial reporting and controlling for Glovo's largest business unit (South-West Europe: Spain, Italy, Portugal, and Poland).
- Led month-end close, variance analysis, and management reporting in a high-volume, fast-paced operational environment.
- Acted as finance business partner for regional stakeholders, ensuring financial visibility, accuracy, and alignment with business performance.
- Managed complex accounting topics in a high-growth, transaction-heavy marketplace business across multiple countries.

Senior Financial Reporting Analyst | BASF Services Americas | Montevideo, Uruguay *Jul 2021 – Oct 2022*

- Owned core financial reporting packages for U.S. entities within BASF Group, ensuring accuracy, consistency, and adherence to group reporting standards.
- Acted as key reporting interface between local operations and global HQ (Germany) and the United States.
- Contributed to standardisation and improvement of reporting processes within a highly structured corporate environment.

Senior Associate | PwC | Montevideo, Uruguay *Jan 2014 – Jun 2021*

- 7+ years developing deep expertise in accounting, IFRS, payroll, international mobility, and transfer pricing across multi-country clients in regulated environments.
- 2020–2021: Transfer Pricing and Global Mobility — advisory on tax and social security for expatriates.
- 2014–2019: Finance, accounting, and payroll delivery; IFRS instructor at internal training programmes — designing and delivering technical content to diverse professional audiences across seniority levels.
- Acted as trusted advisor to clients on complex accounting, reporting, and compliance matters — developing a consultative communication style and the ability to present technical insight clearly to senior stakeholders and non-finance audiences.
